

## Chalet Levinhuippu Levi

### Timeless style and modern touch

This is one of the best chalets in Levi. The chalet is located near the slopes, only a few minutes walk from the World Cup pistes and the main gondola lift. The chalet's modern layout and large windows give a bright and airy feel. The decoration is designed to create modern interiors that are warm and cosy.

The chalet is spacious and cosy with a unique fireplace in the middle of the living area and an open kitchen and dining area in the same space. The chalet is best suited for either business or family and friends. One of the bedrooms is suitable for kids. If you want to stay in one of the top properties in Levi, this is an excellent choice.
